OUR GREENMEADOW, OUR FUTURE!

Our School Improvement Plan 2026–2027

Empowering Young Minds for Tomorrow

OUR THREE SCHOOL PRIORITIES THIS YEAR

Together, we will become stronger readers, mathematicians and writers.

01 READING

Let's Love Reading!

OUR GOAL

We want everyone to enjoy books, read confidently and understand what they read.

YOU WILL SEE US…

- Read and share exciting books every day.
- Talk about stories, characters and authors.
- Use clues to explain our ideas about texts.

WHY? Reading helps us imagine, learn and discover new opportunities.

02 MATHS

Let's Be Problem Solvers!

OUR GOAL

We want to enjoy maths, tackle challenges and explain our thinking.

YOU WILL SEE US…

- Use equipment, pictures and numbers.
- Explain our methods and try new strategies.
- Solve problems from everyday life.

WHY? Maths helps us think clearly and understand our world.

03 WRITING

Let's Be Proud Writers!

OUR GOAL

We want to write creatively, share ideas and take pride in our work.

YOU WILL SEE US…

- Write stories and texts for real purposes.
- Choose interesting words and clear sentences.
- Check, edit and improve our writing.

WHY? Writing gives us a voice and helps us make a difference.

THE FOUR PURPOSES OF CURRICULUM FOR WALES

Ambitious, capable learners

We aim high and keep learning.

Enterprising, creative contributors

We share ideas and work together.

Ethical, informed citizens

We respect others and care for Wales and the world.

Healthy, confident individuals

We care for ourselves and one another.
